EPA Reference Number: R.I024178

Knockharley Landfill Ltd Reference Number: 146.04-EPA-003-26

Dear Mr. McCabe,

Further to R.I024178, please see below:

‘Please specify what will happen to the IBA material from Indaver (W0167-04) after the metals have been removed.’

It is our intention to store the IBA material from Indaver (W0167-04) in cells 29, 30 and 31 for the foreseeable future.

Yours sincerely,

Siobhán Kelly

Environmental Manager
