**Re: Irving Oil Whitegate Refinery (IOW) (P0266-03)
Temporary cessation of refining of mineral oil**

Dear Mr Tynan,

The purpose of this communication is to notify the Agency of Irving Oil Whitegate Refinery's scheduled cessation of refining of mineral oil to allow for essential maintenance. This temporary cessation is part of the refinery's 5 yearly Turnaround maintenance programme. The cessation commenced on the 01stOct 2024 and is scheduled to continue into November 2024. IOW will inform the Agency when the refinery resumes the refining of mineral oil.

The Waste Water Treatment Plant (WWTP), Roadloading, Jetty, and Utilities plants will remain in operation for the duration of the Turnaround.

Any change to this schedule will be communicated to the Agency.
