

Report Year: 2024

Report Number : LRD0039610

Dear EPR Team

An error was made here by the person who uploaded the EPR for 2024

In waste acceptance he put in a figure of 18077.06t for EWC code 02 02 03 - The figure should have been 2152.7t

The total tonnes accepted was 30404.64 and not 46329t

I am unable to edit the EPR on Eden, can you edit the figure or is there some way I can edit it

Yours sincerely

Derry Murphy
