**Re: Section 18 Notice Waste Processing and Disposal Capacity**

To Whom It May Concern,

The following information was requested from the Agency:

1. The total cumulative quantity (tonnes) of waste accepted at the licensed facility by 31st August 2025;
2. The total cumulative quantity (tonnes) of waste for each waste type listed in the relevant Schedule of your licence by 31st August 2025.

Please see details of same below:

	<b>Actual Tonnes Accepted to End of August</b>	<b>Licence – P0029-06</b>
	<i>Tonnes</i>	<i>Tonnes</i>
Solid Recovered Fuel (19 12 10)	13,586	30,000
Meat and Bonemeal (02 01 02)	2,709	30,000

Should there be any queries on what has been submitted, please don't hesitate in contacting me.

Yours Sincerely,
